OBLIGATIONS OF SCHOOL EMPLOYEES TO REPORT ABUSE AND SEXUAL CONDUCT

ALL EMPLOYEES are required to follow Policy JHFE “Reporting of Suspected Abuse of a Child” and policy JHFF/GBNAA “Reporting Requirements for Suspected Sexual Conduct with Students.” These policies help ensure employees are properly reporting incidents of abuse and sexual conduct.

Policy JHFE requires employees who have a reasonable cause to believe **any child** with whom the employee has come into contact has suffered abuse, to report this to DHS or the law enforcement agency within the county where the person making the report is located at the time of the contact. It also requires employees who have a reasonable cause to believe that **any adult or student** with whom the employee is in contact has abused a child to report this to DHS or to the law enforcement agency within the county where the person making the report is located at the time of the contact. See attached district policy JHFE “Reporting Requirements for Suspected Abuse of a Child” for more detail regarding these reporting obligations.

Policy JHFF requires employees who have reasonable cause to believe that another employee, contractor, agent or volunteer has engaged in sexual conduct with a student, to immediately notify the designated licensed administrator of the conduct. The designated licensed administrator who receives the report is required to report to the Oregon Department of Education (ODE) or Teacher Standards and Practices Commission (TSPC) as appropriate. See attached district policy “Reporting Requirements for Suspected Sexual Conduct with Students” for more detail regarding these reporting obligations.

INVESTIGATORY PROCESS

When the designated licensed administrator (or alternate) receives a report of sexual conduct and has reasonable cause to believe that it has occurred, the designated licensed administrator will report the alleged conduct to TSPC if the alleged perpetrator is a licensed individual, and to ODE if the alleged perpetrator is not licensed (effective July 1, 2020). TSPC or ODE will conduct an investigation and report back to the district. The district may also conduct an investigation into the alleged sexual conduct. If the designated licensed administrator (or alternate) receives a report of child abuse and has reasonable cause to believe that it has occurred, the designated licensed administrator will ensure that the report has been made to DHS and/or law enforcement for investigation. The district may also conduct an investigation into the alleged abuse. The designated licensed administrator will also report to TSPC if required by OAR 584-020-0041. If there is reasonable cause to believe that an employee has committed child abuse or sexual conduct, that employee will be placed on paid administrative leave. An employee may be subject to discipline, up to and including termination, based on the results of the investigation.
